

Special Election Reminder:

Remember that the live on-line candidate forum is next Monday Feb. 28, 2011 at 6:30 p.m. CST. If you have not [tested to make sure](#) you can connect to our meeting software, please do so before Monday. This is your chance to hear from, and even ask questions of the candidates.

However, as we do not know how many members will participate, there is a concern for how many questions we can review and address during the forum. If you have questions you would like considered, please feel free to [send those in advance](#) so they can be provided to the moderator. This forum will last between an hour and ninety minutes.

In preparation for this event our three candidates provided a Sertoma bio, as well as each responded to a question on the future of Sertoma. These are included in the Sertoman that will soon arrive at your door. But if you want to review the information from the candidates before the forum, you can find them in the [PDF version of the Sertoman](#) that is on the Sertoma web site.

To participate, [join the Candidate Forum Webinar](#) up to 20 minutes prior to the scheduled start time. Please be sure and get online a few minutes early to ensure you have plenty of time to login. If you have issues with the software [contact support](#).
